

GREAT EXPECTATIONS & NEXT STEPS PROGRAMS

Virtual Option

Program Instructions:

1

Our pregnancy and parenting classes can be completed using your cellphone or other device at a time that is convenient for you.

2

After completing our registration, you will receive a text or email which states that The Pregnancy Center sent a lesson from Brightcourse. Click on that link.

3

The link will take you to your lesson. Click "Start now" when you are ready to begin.

4

You will receive a few questions to answer, just to see what you already know about the lesson topic. Answer all of those questions and click "finish". This will take you to the next page. Click "okay"

5

A video should appear. Click "play" to begin watching. You must view the entire video to receive credit. After the video, there will be 2 sets of questions. Answer all of the questions. *Please note: some participants will try to skip the video or questions. We can see your progress on our end, so should you not complete the lesson, points will be deducted or the lesson will be resent. Also, if too many questions are answered incorrectly, we will resend the lesson.*

6

Once you have completed your lesson, you will have earned 5 points. These points may be exchanged for baby items in our boutique. Great Expectations classes are sent weekly and Next Steps every other week.

7

In the top left corner, click on the 3 lines to show additional information. You'll find a Spiritual Application Sheet to encourage you and a fact sheet for more lesson information. (Spiritual application is not required, but it can be helpful) If you have questions, please let us know.

Be sure to ask us about our Positive Changes Program where you can earn diapers and wipes every week!
